## Audubon Adventures Printed Classroom Kits (serves 32 students)

		Price/Unit
CKKNOWINGBIRDS	<b>NEW! 2018-19! "Getting to Know Birds"</b> Classroom kit with print and online components. Each kit contains 3 complete learning modules - "Get To Know Birds," "Hooray for Hummingbirds 2," and "Plants Are for the Birds 2" — with printed student educational magazines (3 separate topics/editions), ready-to-print letter to parents, and user guides for teachers. Teachers (and students) can also access online informational content and group activities, printables, posters, interactive quizzes, puzzles and games, teaching standards, glossary, and more. Printed kit serves 32 students. Online content serves unlimited students and is free.	\$38.50
CKBIRDBEEPLANT	<b>"Birds, Bees, Flowers &amp; Trees"</b> Classroom kit with print and online components. Each kit contains 3 complete learning modules with printed student educational magazines (3 separate topics/editions), ready-to-print letter to parents, and user guides for teachers. Teachers (and students) can also access online informational content and group activities, printables, posters, interactive quizzes, puzzles and games, teaching standards, glossary, and more. Printed kit serves 32 students. Online content serves unlimited students and is free.	\$38.50
CKWILDABOUTBIRDS	<b>"Wild About Birds" Classroom kit with print and online components.</b> Three complete learning modules about birds. (1) "Owl Prowl" Some are big and some are small, but all are skilled predators. (2) "The Watery World of Wading Birds" Long legs and necks and specialized beaks help them get food, but these big birds need our help to protect their habitats. (3) "Get to Know Birds" Birds are the wildlife we see every day. Find out how to identify and be a friend to birds. Student magazines for each topic in printed form plus online interactive features, teacher guide, e-newsletter subscription, and resources.	\$38.50
CKEARTHPRINT	<b>"Action for Planet Earth" Classroom Kit</b> with 3 printed and 3 online learning modules. Content aligned with Next Generation Science and Common Core English Standards. Printed student magazines in 3 editions, 32 copies of each). Topics are HABITATS; WATER; and ENERGY.	\$38.50
CKSHARINGWITHBIRD	<b>"Sharing Our World With Birds"</b> classroom kit with 3 complete learning modules with printed student and teacher guides and online components as well. Topics: Seabirds; Hummingbirds: Birds of Prey.	\$38.50
<b>REQUIRED SHIPPING AND HANDLING</b>		<b>\$7.45 per classroom kit</b>
